YMCA OF GREATER SPRINGFIELD

Did you know that Sign Language Interpreting is the fastest growing career in American? That's right! According to the U.S. Occupational Handbook, a resource of the U.S. Department of Labor, Sign Language Interpreters and Translators are the fastest growing career choices in America! Sign Language Interpreters are in great demand; however, before you could consider a career in this sector, you need to learn the basics. That is why we have partnered with SIGNING Basics, American Sign Language and Deaf Culture training to provide community based American Sign Language Classes. So if you are interested in learning a new language, develop skills for signing, or you just want to learn for fun. We are offering a series of American Sign Language Classes at the YMCA of Greater Springfield

Introduction to ASL:

Is a one hour, highly interactive weekly class for beginners. Students will learn culture awareness, how to exchange personal information in a culturally appropriate way, and some basic expressive and receptive skills for communicating in ASL. This class will prep you for ASL 1. Book Required
