HERE FOR OUR COMMUNITY

During these challenging times we have developed a program to serve:

The YMCA of Greater Springfield is working to ensure you have access to the programs you need. Our programs are and have always been designed with the health and safety of everyone in mind. In fact, "Safety" is our rule number one. All camp staff are CPR and First Aid certified and each program has a trained full-time health administrator on duty all day. Our "on call" Pediatric Doctor is available ensure that our medical services are complete and wrap around. Our camps must and do comply with regulations of the Massachusetts Department of Public Health and be licensed by the local Board of Health.

HEALTH & SAFETY

New health and safety policies have been added to our existing policies to improve our program environment. These include: New 1 to 6 group sizes (buses 1 child to a seat), additional bathrooms and hand-wash stations, staff face masks, temperature checks, hand sanitizing stations, increased hand-washing routines, curbside pickup and drop off only and social distancing rules for all. Weekly professional cleanings (all locations) and staff and campers will only be allowed into programs.

WELL-BEING

Our goal this summer is to provide a safe, healthy space where children are free to let their imaginations run wild. Children's social and emotional well-being can be compromised with closed schools, social isolation, food scarcity, anxiety, uncertainty and parental unemployment, the global pandemic has also destabilized kids' support system. We are taking steps to build in social and emotional support from qualified healthcare professionals to help deal with some of uncertainty and provide children with an environment your child can trust.

ENGAGEMENT (FUN)

FUN and PLAY are how kids learn and camp would not be camp without it! Being creative is the key here; We've packed all the large group fun into small groups which means campers have a more personalized experience with their friends and counselors. Smaller groups in the pool and more swim time! Your child will benefit from highly trained individual counselors that will make each and every activity at camp a unique and fun experience like never before!

STONY BROOK ACRES – AGES 6-15

1004 Stony Hill Road, Wilbraham, MA
 Camp Director: Richard Crane
 E: rcrane@springdiely.org P: 413.739.6955

This beautifully landscaped 20-acre property including a pool is the setting for both instructional and recreational swimming. The spacious pavilion provides campers with a cool, shady spot for lunch. Our Amish barn is home to many games and activities, and the smaller barn is designed for arts & crafts. The grassy fields give participants ample space for sports, nature, archery and more. Your child will gain an appreciation for the outdoors at Stony Brook Acres.

CAMP FUN CITY – AGES 6-12

1500 Main Street, Springfield, MA

Camp Fun City is based at the Downtown Springfield YMCA Learning Center 1500 Main Street, Springfield, Ma. The facility includes classrooms and indoor and outdoor play spaces.

NEW CAMP POLICIES

VIOLATION OF POLICIES (SUBJECT TO CHANGE)

IMPORTANT: Given the current global pandemic we must do our very best to ensure that everyone is kept safe. We need you, parents, families, and caregivers to do your part to help us maintain that environment. We fully expect everyone to follow our camp policies, violations of our policy will result in strict responsive measures beginning with suspension from programs and facilities and up to termination, no-trespass and legal action. Please familiarize yourself with the below policy and the parent handbook.

DEPARTMENT OF PUBLIC HEALTH AND THE CDC

Our programs must adhere to the local and state health departments. The Y will follow closely the CDC guidelines for action during the pandemic. This can include, changing, adding, subtracting, suspending any part of the programs described in this brochure at any time without notice.

COMMUNICATION

All camp related questions must be made over the phone 413.739.6955 (Monday-Friday 7am-6pm) no in-person registrations or communication will be taken at our family centers. Forms may be mailed and we can register you right over the phone. Mail forms to 1500 Main Street, Springfield, MA 01105.

SANITATION

Our properties will be cleaned and sanitized daily by our internal staff. In addition, we will have our programs professionally cleaned and sanitized weekly. All staff will be required to wear face masks at work and have their temperature taken daily.

PICK-UP & DROP-OFF

All pick-up and drop-off must be made curbside. Parents may not get out of the vehicle for any reason unless instructed to do so by our staff. If you are on foot, please proceed to the designated area for pick-up and drop-off respecting social distancing. (Violating this policy for any reason could result in termination.)

SOCIAL DISTANCING

We have created an environment to keep your child safe. We expect that you and your family will respect the social distancing set up in order to help other families feel at ease. Until the CDC lifts social distancing guidelines, we expect your full cooperation.

FOOD

Children may be sent with food from home, they may eat whatever they like, whenever they like. No refrigeration will be provided. The food you provide must be shelf stable or you must provide an ice pack for cold food.

You may not provide any food to anyone else, including staff or other children for any other reason. The Y will provide free lunch for programs that qualify (CFC). All meals provided will come in sealed sanitized containers from the distributor. Food not purchased through our facilities will not be allowed for general consumption on the properties.
