

# **INCLEMENT WEATHER POLICY**

## **YMCA OF GREATER SPRINGFIELD**

### **DOWNTOWN SPRINGFIELD YMCA & SCANTIC VALLEY YMCA**

The safety of our members and staff is the most important factor in determining weather-related delays, cancellations and closings.

We encourage members to check the YMCA website, [www.springfieldy.org](http://www.springfieldy.org), WWLP 22, WGGB (ABC 40/FOX 6) and follow the YMCA of Greater Springfield and Scantic Valley YMCA Branch Facebook pages for updated status reports due to weather or emergency conditions.

If the facilities remain open during inclement weather, the wellness centers, pools and gymnasium will remain available to our members regardless of class and programming cancellations.
